TENANT Q&A

“I’ve found a property. What happens next?”

Q How do I apply for a property?

A We will give you a Tenant Application Form to complete. This can be either emailed to you or a paper copy given when you have expressed an interest in a property. Please note that the application cannot be processed unless the application form has been completed in full. It is essential that all information given on the form is accurate as any knowingly false claims will result in the application being rejected with the loss of your tenant fee and the holding deposit if the landlord suffers any loss due to taking the property off the market and this resulting in the property being unoccupied.

Q What happens to the personal information I supply to you?

A Any personal information you supply to us will be treated confidentially and held in compliance with the Data Protection Act 1998. On signing the application form you authorise us to share this information with the landlord in order that we can gain approval for the tenancy.

Q What fees/deposit do I have to pay?

A An initial payment of £500 is required as soon as you have selected a property. This payment is made up of the tenant fee of £150 for one person renting or £200 for two people, (£50 each for additional persons) with the remaining money being the first part of the deposit for the property. The remainder of the 1.5 months deposit plus the first months rent is payable when you move in. The Agency Fee is a One-off Fee for Life. While renting with us either with the initial property or other properties you'll pay *no further fees, now or in the future* as long as no tenancy agreement has been breached. *This means no renewal fees, no check out fees and no further fees even if you rent any other properties from any Space Lettings branch in the future.*

Q Is my deposit refundable if things don't work out?

A If you change your mind regarding renting a property then the agency fee will not be refundable and the initial part of the deposit may also be forfeited especially if the landlord has suffered costs due to stopping marketing the property. However if the landlord does not accept your offer then your £500 will be refunded in full.

Q Will you stop viewings at my chosen property?

A Once you have paid us your deposit, and the Landlord of your chosen property has approved your application, we will cease all viewings. The choice of Tenant for the property is ultimately that of the Landlord. If two parties are competing for a property, it is the Landlord's prerogative to decide which one he favours and may not be determined by who viewed the property first. We are not able to discuss other offers made for a property.

Q When will I receive a Tenancy Agreement to sign?

A Two copies of the tenancy agreement will be sent to you within 5 working days of us receiving your application forms and initial payment, assuming no delays are experienced in obtaining references. You will need to sign both copies and return them to us. We will then either sign on behalf of the landlord or obtain the landlord's signature as soon as satisfactory references have been obtained. Your copy is then sent to you. The acceptance of your Tenancy Agreement by us on behalf of the Landlord is subject to satisfactory references.

Q How do I pay my rent each month?

A Your rent should be paid each month by Standing Order and this is a condition of your tenancy agreement (we do not operate a direct debit system). We will give you the required Standing Order form for you to fill in and provide to your bank to set this up. It is your responsibility to make sure that this is implemented by your bank and that your rent reaches Space Lettings account on the designated date each month.

Q What do I need to do on Check-in Day?

A On the day it has been arranged that you will move into your rental property, please come to our shop at 16 London Road, bringing with you both your signed Tenancy Agreements and the means to pay the remainder of your deposit and first months rent. Your keys can be issued once payment has been received and the tenancy agreement has been signed. It is not normally possible to release keys prior to the first day of the tenancy.

Q What do I need to pay on Check-in? How do I pay?

A You will need to pay the remainder of your deposit (to total the equivalent of one-and-a-half month's rent), plus the first month's rent in advance. Payment by Debit card is the preferred method of payment although a bankers draft or cash can also be accepted. A personal cheque is not acceptable on Check-in day. If you wish to pay by cheque, this should be made payable to "Space Lettings" but we would need to receive it at least 10 days prior to Check-in. Please note that credit cards are not accepted.

Q How is my deposit held? How will it be returned when my tenancy ends?

A If your property is fully managed by Space Lettings, your deposit will be held as Stakeholder in accordance with the Tenancy Deposit Protection Scheme and can be released as soon as agreement is reached, in line with government regulations. For more information on this please refer to your tenancy agreement or view the website www.thedisputeservice.co.uk.

If your property is not managed by Space Lettings then it may be held in accordance with the custodial scheme: The Deposit Protection Service (For more information: www.depositprotection.com). Please refer to your tenancy agreement.

Q What about Water, Gas, Electricity, Council Tax and Telephone?

A Unless otherwise agreed Space Lettings undertakes to take all meter readings at the beginning and end of the Tenancy and to notify the Utilities and Council Tax of change of Occupier. Unless stated in your tenancy agreement you will be responsible for paying these accounts. You must make all arrangements for telephone and TV services yourself as these providers will not accept instruction from third parties

Q What about insurance?

A Tenants are responsible for insuring their own possessions. We would strongly urge you to take out an appropriate Contents Insurance, which includes Third Party cover for the Landlord. Please ensure that your possessions are covered by Contents Insurance from the very beginning of your Tenancy.

Q What are my areas of responsibility as a Tenant?

A In a Fully Managed property, Space Lettings acts as the agent of the Landlord and will aim to resolve any maintenance issues of which you notify us. However, you, as Tenant, are still reasonably expected to:

- n do all day-to-day cleaning
- n dispose of all rubbish
- n do all window-cleaning
- n change lightbulbs
- n do general household and garden maintenance, such as the cutting of grass (please refer to your contract for clarification).
- n report to us any water leaks, however small.
- n forward to us, at **16 London Road, St Albans AL1 1NG**, any post that may arrive for the Landlord or former Tenant(s).
- n safeguard all keys issued. If you are locked out, you may be able to collect a spare set from our shop. Outside office hours you will be responsible for arranging and paying for a visit from a locksmith. Timpsons run a 24-hour lock-out service and can be contacted on 0800 0187 187.

Further details are outlined in your tenancy agreement.

If you have a maintenance problem and Space Lettings manage the property then you should call our maintenance line 01727 891052. If the landlord manages the property then we will have provided their details to you and you should contact them directly.

Q Who should I call if I have any questions?

A Please call us on 01727 862381 if you have any further questions not covered by the above.
